WHAT'S THIS ALL ABOUT?

Your £46 a month covers your running costs of the systems, all your insurances, logins & access to every system & customer service. Yes that's £1.50 a day for a business!!

Okay.. so big hello to you first of all.. If you're reading this you either love to travel, are planning some holidays and want to save.. or fancy a new lifestyle addition to benefit your travels & a new earning opportunity.. either way, you're in the right place!

So here's how it works... it's a travel subscription where you gain an agent login to access your own systems. It's the same as you normally would book your travel online now, however the difference is you will book using your travel licence and earn commission back on what you would have been booking anyway!

Access to over 80 partners, including Royal Caribbean, Hoseasons, Disney, Melia, James Villas, Santa's Lapland, Mr&Mrs Smith, Holiday Extras, Plum Guide, Olympic Holidays, Classic Packages, Club Med, P&O Cruises, Virgin Voyages & many suppliers that you probably already use. From UK staycations, days out, tickets to concerts and all your worldwide holidays it covers absolutely everything!

In addition to the above, anything you book for yourself you can book on a travel industry rate meaning you can save on your own travel compared to the customer prices, as well as having the option to earn commission too!

You can also earn some more income by booking for others if you wish to, such as your friends, family, work colleagues etc. It's a great way to earn another income stream and let's face it, everyone loves to travel!

BOOKING OPTIONS:

- Through A Supplier
- On An Agent Portal
- On Our System
- Direct With A Hotel
- Via Email Or Over The Phone

You pay a 1 off fee of £156 which pays for your agent IATA licence and number and then the subscription.. 1 month of subscription is free & then theres a rolling monthly payment of £46 a month (yes that's £1.50 a day.. I spend nearly £4 on a coffee a day) but this works like a Netflix or Amazon account you can cancel at any time should you want to no ties, no contract!

To make sure you know what you're doing and get the most out of the system, there's some mandatory videos of training but I show you everything you need and walk you through the system. We've laid it out step by step to break it all down but it's all in your own time.. We have our own ATOL and are bonded with ABTA.. so have all the best travel credentials and protection in place.

CREDENTIALS:

WE ARE PROUD MEMBERS OF ABTA AND HAVE OUR OWN ATOL LICENCE TOO. BEING BONDED WITH BOTH COMPANIES GIVES US LEGITIMACY TO BOOK THE MOST HIGH END, PROTECTED TRAVEL WITH THE BEST SUPPLIERS & COMPANIES WITHIN THE INDUSTRY.
